I haven't read the last book but I can't wait to do it. All the 3 books are from Stephanie Perkins. I really like those books so I hope you like them too. Hi, in the last few months I have been reading a really good trilogy, well I am not sure if is a trilogy I mean there are 3 books in which there comes a point when the 3 stories are connected.

### **What are some really good books to read? | Yahoo Answers**

I used to love reading. I read three books a week sometimes, maybe even more, but now I find it hard because all the books I try and read are too childish or too mature. I'm 15 and when I was 13 I was reading my 19 year old sister's books, so read at a level above my age. I like books that are imaginative, but not childish. I love sci-fi and fantasy or anything that can let me think outside ...
