Sister of Silence by Daleen Berry is an emotional story of one truly amazing woman's transformation. Berry's story will leave you shocked, heartbroken and ultimately in awe of her climb from teen mom to successful journalist and author. It is so easy to think it happens somewhere else but in reality it is an all-too-prevalent occurrence.

Sister of Silence by Daleen Berry, Megan Hagebush ...

KIRKUS REVIEW. To her credit, Berry doesn't present herself as a saint, nor Eddie as a complete monster. In the book's foreword, Kenneth V. Lanning, a former FBI agent and consultant in crimes against children, introduces the running theme of the book: Acquaintance or marital rape is still rape.

SISTER OF SILENCE by Daleen Berry | Kirkus Reviews

Sister Of Silence is truly an inspirational account of one woman whose indomitable spirit led her on a journey to self-discovery and empowerment, where she refused to be silenced. This memoir tells the story of one abused woman who nearly reached the point of no return, while exploring one of the largest epidemics of our time in a manner that is, by turns, both calmly detached and full of gritty emotion.
