The Mad Scientist's Guide to World Domination: Original Short Fiction for the Modern Evil Genius by John Joseph Adams. From Victor Frankenstein to Lex Luthor, from Dr. Moreau to Dr. Doom, readers have long been fascinated by insane plans for world domination and the madmen who devise them.

The Mad Scientist's Guide to World Domination: Original ...

With The Mad Scientist's Guide to World Domination, acclaimed anthologist John Joseph Adams has put together a (mostly) excellent set of 22 stories about the world of mad science and the people who practice it without fear of consequences, frequently in the name of, well, world domination. Mad scientists pop up fairly frequently in comic books, movies, and television shows, but they don't seem to be explored as much in fiction.

It's just not fair. So those of us who are so twisted and sick that we love mad scientists have created this guide. Some of the names have been changed to protect the guilty, but you'll recognize them. But it doesn't matter. This guide is not for you. It's for them, the underhanded, over-brained, paranoiacs who so desperately need our help.
