"There are now 15 Kate Shugak novels in this excellent series set in backwoods Alaska, and rather than losing steam, Stabenow is building it. Whisper to the Blood is the best Shugak so far...Stabenow is terrific at building a story, and keeping the suspense tight and the story moving. I love her descriptions of local life, the cast of eccentric but believable characters, and the glimpses of this stunningly beautiful part of the world."

review 1: This is the second book I've read featuring Kate an independent and capable detective in the Alaskan back-country, and I'll be looking forward to the next in the series. If you like Nevada Barr books as I do you may also appreciate these books by Dana Stabenow. Nevada Barr's crime novels feature a no-longer-young female park ranger in different National Parks.
